Dear Sir:-

I have your letter of October 4th and am very glad to give you full information regarding our catalogue of the International Exhibition of Contemporary Medals. The publication price of this volume is ten dollars, and I can furnish you a copy if you desire. May I ask if you are interested in medals and would care to consider an invitation to become a member of our Society? The reason for this query is that by action of our Council some time ago I was permitted to offer this catalogue to our members for six dollars. Associate membership involves the payment of only five dollars per year, and it entitles you to receive a copy of our Journal. You would also be privileged, although under no obligation, to subscribe for any medals which may be issued by the Society, for example, we are planning a medal to commemorate the visit of the Prince of Wales and this will be issued during the coming month. As a member you would also have the privilege of access to our collection and of such advice from our Curator or Staff as we should be able to give you. I am taking the liberty of enclosing an application which, if you will sign and return to me, I will have presented at the next meeting of our Council on October 14th.

If you do not care to consider membership I will send you the catalogue on approval, and you can remit the ten dollars after you have examined it.

Awaiting you further favors, I beg to remain,

Yours very truly,

Secretary.

Dear Sir:-

Thank you for your letter of October 18th authorizing me to propose your name as an associate member of our Society. The next meeting of the Council occurs on November 3rd, and this will be attended to at that time.

I am sending you, under separate cover, a copy of the International Catalogue. There is no reason to wait until the formal action of the Council which I am certain will be affirmative. You need not however pay for this at present but after November 3rd I will send you a bill for your dues plus the six dollars for this volume, and you can then remit by one cheque.

I trust to have the pleasure of greeting you at our Museum some time.

Very respectfully yours,

Secretary.

I am adding to the memorandum enclosed the item of the catalogue of the International Exhibition of medals, which I trust has reached you in good shape. A copy of the 1918 Journal will be sent you in about two weeks.

Dear Mr. Miller:-

Thank you for your letter of the 13th with its enclosed cheque. I trust you have received the copy of the Journal by this time and that you found it contained some things of interest to you.

In response to your query regarding a volume devoted to French medals exclusively, I hardly believe you will find anything to surpass Dumesnil de Chaufepié's "Medailles et Plaquettes Modernes." You should be able to locate it in one of the larger Libraries of your city. If after seeing it you should desire to own a copy, with the present low rate of exchange, I should think you might be able to locate a copy in Paris. I would, in that event, suggest your writing to Louis Ciani, 54 Rue Taitbout, Paris (IX), asking him to quote you a price on a copy.

There are also a number of brochures extracted from the Gazette Francaise de Numismatique, a periodical of which you may find a set in Philadelphia in your search for the other title. Most of these articles have been written by a critic named Mazerolle, so you might look for his name too. If you know Dr. Comparette, the Curator at the Mint, I am sure he will be able to tell you of the Library which is best equipped for the purposes you desire.

Please feel free to call upon me for further information - I shall be only too glad if I can supply it.

Yours very respectfully,

Secretary.

Dear Sir:-

Your attention is respectfully called to the enclosed bill for two years dues . Notices have been sent you from time to time. As you have not given the matter your attention, it may be that the several communications from us have not reached you, or have been overlooked.

If for any reason you have lost interest in the American Numismatic Society, or the subject in general, we would greatly appreciate a line from you.

Your attention is also called to the folder announcing the exhibition that is now on. I am sure that this will be of interest to you, as we know that you are interested in French medals and coins.

Trusting for an early reply to this letter,

I remain,

Yours very truly,

Dear Mr. Miller:-

We have not received your dues for 1920 and 1921. This is probably an oversight on your part, but if such is not the case and you wish your name to be dropped from our list of members at the next meeting of our Council, will you kindly let me have word to that effect.

On receipt of your cheque all of the Numismatic Notes and Monographs which have been published (nine numbers) will be sent you.

Very truly yours,

Treasurer.

Dear Sir:-

Under direction from the Council, I am sending this communication to ascertain whether or not it is your intention that we have not received your dues for the past three years. We hope that this matter may promptly receive your attention, and that we may count upon your continued membership. Our By-laws provide that unless we hear from you promptly we must assume that you do not desire to retain your membership in our organization.

Very truly yours,

Secretary
